BLACKSTONE/FRANKLIN SQUARE NEIGHBORHOOD ASSOCIATION

The Blackstone/Franklin Square Neighborhood Association is a non-profit organization committed to providing information, facilitating interaction and championing improvement for the purpose of enhancing the quality of life within our community.

As part of our mission to support our neighborhood – the South End - B/FSNA started a book scholarship fund for neighborhood high school seniors continuing on to college. As many other scholarships cover only tuition, this is designed to cover books, study guides, and other educational supplies, which can be very expensive. For example, at UMASS Boston,

- books can average \$150 per class
- with a full load being 4 classes
- that's up to \$600/semester

We invite applications from South End Residents living in the area defined by:

- Southwest Corridor (North) to Albany Street (South)
- Herald (east) to Camden (west)
